

Dan Wilde Tech Spec

- **Mic Stand and XLR Cable**

Dan will provide his own mic

- **2 XLR's providing phantom power for a 2 channel DI box**

Dan will provide his own DI box. His guitar has both an under saddle pickup and a sound hole mic.

Input 1 - Undersaddle Pickup

Input 2 - Soundhole mic - 10% - 20% of this as it's more prone to feedback

Reverb

A good quality hall or plate reverb for the vocals and guitar. Just a touch on both the guitar and vocals.
